

PULSE Dashboard & Analysis Software Advanced Graphing Solution

PULSE DASHBOARD is revolutionary software that lets you leverage your Macola® investment in a new way — with a real-time display of vital business metrics and detailed analysis with the click of a mouse. You can track critical factors for your business on-screen and in real-time.

PULSE Dashboard & Analytics Software adds value to your Macola® investment

- Manage with real-time data, on-screen, company-wide, all the time
- Important metrics not found in standard Macola® software
- Reports for pre-developed and field-tested – no do-it-yourself report development
- Reports can be customized to meet your individual needs
- Installation & training in an afternoon
- NEW! Advanced Graphing Solution – flexible, easy to develop graphs
